

# ACCESS

Data Network Solutions, Inc.

[www.accessdnsi.com](http://www.accessdnsi.com)

Taking care of all your low-voltage needs for over 27 years.

But did you know that we also offer **Fire Alarm and ERCES Systems (Emergency Radio Communication Enhancement Systems)?**

We can design, install, service, monitor, and inspect new or existing Fire Alarm Systems. **We are proud to offer Siemens Fire Alarm and ERCES Systems.**

## SIEMENS

Do you need help ensuring you are following the local AHJ Code Requirements for an ERCES/BDA/ERRS System? We are FCC Licensed and can assist with Baseline Testing and Design, Installation, and Commissioning of a fully functioning ERCES System.

RSVP for our next lunch and learn:  
**866-399-7568**
